Purpose of the Module

Entrepreneurship

Entrepreneurship

- Entrepreneurship is,
  - The exciting journey of turning dreams into reality, fueled by passion, innovation, and unwavering determination.
  - The art of transforming challenges into opportunities,
  - Creating something from nothing.

Purpose of the Module

- To inspire students to think creatively and identify business opportunities.
- To develop entrepreneurial mindsets and leadership qualities.
- To provide practical knowledge in business planning, innovation, and value creation.
- To encourage problem-solving, teamwork, and real-world application.
- To prepare students to become future entrepreneurs and change-makers.

“Think big. Start small. Move fast.”

Advantages of being an Entrepreneur

- You set your own schedule
- You're the boss
- Can pick individuals you like

Lecture Time

- The lecture series will start on 06th November 2025 (Thursday) and will continue until the end of semester.

- The allocated time slot is 08.00 AM - 10.00 AM and the location would be at Professor V. K. Samaranayake Auditorium.

- Last two lectures will be made compulsory.
    - 26th February 2026 and 05th March 2026

Evaluation

- The students have to complete,
  - Minimum 80% attendance && Pass the Final Exam

    ****Not including the Introductory Lecture****

  - Participate in-class/online assessments relevant to each lecture attended

WARNING!

Please note that,
If a student fails to obtain
at least 80% of attendance,
Or
fails to pass the Final Exam
he/she will **NOT** qualify to pass this course.
